Chris Hoffman

The Right Leader at the Right Time

Protecting Our Streets

Public safety will be Chris' top priority as our Mayor. By working side by side with our first responders, she will fight to ensure that Jacksonville Beach stays safe.

A Local Government That Works For Us

Jacksonville Beach deserves a voice that is open and honest with its residents. Chris believes in embracing new technology and better constituent communication to improve the relationship between our government and community.

Boosting Our Downtown

We need new businesses to help grow and support our downtown. Chris will work to bring restaurants, shops, and small businesses to our community's central business district.

Preparing For the Future

Our homes and businesses need to be protected from flooding and hurricanes. From storm hardening to shore protection, Chris is determined to keep our city ready and prepared for what lies ahead.
